SPECIALITY COATINGS

## PROFILE

### Our Vision

Be able to offer coating solutions for all possible applications and become the most valued and trusted paint and Coatings Company.

### About Us

In 1962, we started with Thinner and Wood Polish, "Today, SHEENLAC is a one-stop solution for all paint needs". We are into the manufacturing and distribution of paints for the last 60 years. Dedication, teamwork, and innovation have always been the foundation of our firm, aiding us in taking our business to greater heights.

- Our Head Office is located in Chennai, Tamil Nadu. We own 3 factories, 23 branches and 4 warehouses across India.
- We have Branch offices all over India and also an overseas factory and Branch office in Sri Lanka.
- We are certified with ISO 9001 for quality systems.
- Certified by the central government organisation, Bureau of Indian Standards (BIS) and have specific paints with ISI mark with high standard of quality
- In 2014, we signed a joint venture with Noroo Paints, South Korea for Automotive and Protective coatings.
- In 2016, we have collaborated with Jenson & Nicholson Pvt, India's 2nd oldest paint company.

## Institutional business

In Institutional Business we provide complete range of decorative, floor, and protective coatings to manufacturing plants, warehouses and office buildings. We are specialised into

- Decorative Coating
- Protective Coating
- Floor Coating

## Decorative Coating

Decorative paint and coating for interior and exterior walls of domestic, commercial and industrial buildings. We manufacture Primers, Putty, and Emulsion topcoat for walls. And Quick Drying Enamel topcoats for grills and doors.

We are proud to launch our new product

**"Colour Therapy - Health Protect + Lotus Leaf Effect".**

## Why are we unique?

- Good resistance to Bacterial, Algae and Fungus accumulation
- High stain and scrub resistance
- Superior wash ability as it has Hydrophobic coating
- Excellent resistance to dirt pick up
- Outstanding weather resistance with non-fading colours
- Long term exterior durability
