100 - 120\* sq. ft. per litre in 2 coats under normal conditions

## WRITE-OFF

WRITE-OFF is a two-pack water-based coating which can convert almost any paintable surface into an easy erase white board by use of appropriate primers and surface preparation methods. It can be applied on dry wall, wood, cement and metal. Erasable writing space created of WRITE-OFF has great ease of legible writing with white board markers and leave no ghosting marks after erasing.

## PRODUCT BENEFITS

- ⑩ Transform any paintable surface into white board
- ⑩ Two-pack water-based coating
- ⑩ Extremely durable
- ⑩ Non- yellowing
- ⑩ Easy to clean and maintain
- ⑩ Perfect for creating short throw projections and interactive spaces
